DISINFECTING AND CLEANING WIPES

DIN# 020507633

DESCRIPTION

BACOBAN 108 DISINFECTING AND CLEANING WIPES offer a 2-in-1 solution for quick, time-saving convenience. Bacoban 108 creates a hygienic surface that helps prevent the growth of bacteria, mold, and mildew that can cause stains, odours, and deterioration of the surface.

SUITABLE USES

Recommended for non-porous surfaces and fixtures. Ideal for a variety of hard surfaces in domestic, industrial, institutional and food processing settings, such as:

- Aircraft bathrooms, seats, tray tables, and flight deck
- Hotels and hospitality settings
- Public restrooms and common spaces
- Recreational facilities
- Schools and campuses
- Household and commercial kitchens
- Windows, stainless steel, ceramic, porcelain, plastic, acrylic, wood and treated surfaces.

FEATURES

Meets aviation standards for use inside aircraft (Boeing D6-17487/Boeing D6-7127/AMS 1452B/AMS 1451B)

Approved for food processing use

Kills 99.99% of viruses, bacteria, and fungi

Will not damage electronic devices or equipment

Contains no Volatile Organic Compounds (VOCs)

USE DIRECTIONS

Pre-clean heavily soiled areas. Bacoban 108 Disinfecting and Cleaning wipes can be used to pre-clean but ensure a fresh wipe is used for further steps. Lift flap and pull wipe through opening. Reseal flap to retain moisture.

STORAGE

Store in a dry place between 15°C and 25°C. Keep out of reach of children. See SDS for full storage and handling information.

RECYCLING

Dispose of the container in accordance with the Provincial Regulatory Agency.
